

Kaustubh Jaiswal

kaustubh0078@gmail.com | +91 9685324029 | [Linkedin](#)

Aspiring Data Scientist with a strong academic foundation in Computer Science and hands-on experience in Python, SQL, and Java. Proficient in Data Structures and Algorithms with a proven ability to solve complex computational problems efficiently. Currently pursuing a B.Tech at VIT Bhopal University, where I've worked on web-based projects that reflect both technical execution and problem-solving skills. Highly motivated to apply machine learning techniques and data analysis to derive meaningful insights and build scalable solutions. Eager to contribute to real-world projects in Data Science and Machine Learning.

EDUCATION

St. Norbert School, Indore – Class X

- CBSE Board, 89% May 2020

Annie Besant School, Indore – Class XII

- CBSE Board, 74% June 2022

VIT Bhopal University – B.Tech in Computer Science

- CGPA: 8.8 Nov 2022-Present

ACADEMIC PROJECTS

E-Commerce Management Software

August 2023

- Designed and developed a responsive web application to streamline product listings, order processing, and payment transactions.
- Implemented an interactive user interface using HTML, CSS, and JavaScript, ensuring a seamless browsing experience.
- Integrated secure payment gateways for safe and efficient transactions.

CERTIFICATIONS

Data Science with Python – iamneo

- Completed a hands-on course covering data analysis, cleaning, and visualization using Pandas, NumPy, and Matplotlib.
- Applied machine learning algorithms to real-world datasets using Python.

IBM Cybersecurity Analyst – IBM

- Learned core cybersecurity concepts such as threat intelligence, network security, and incident response.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

House Captain, St. Norbert School, Indore

- Led a team of 20+ students, managing sports and cultural events.
- Served as the liaison between students and faculty, ensuring smooth event execution.

Participant, TCS CodeVita Season 12.

- Competed in global coding contest solving algorithmic and data structure problems under time constraints.
- Strengthened programming and analytical thinking skills.

SKILLS AND INTERESTS

Language: English, Hindi

Technical Skills: Java, Python, SQL, HTML, CSS

Interests: Cricket | Football | Gaming
